User Instruction

Notice

1. This is a "Universal" children restraint system (CRS) which is approved to ECE Regulation No.44/04 series of amendments and GB27887-2011, for general use in vehicles and it will fit most, but not all, car seats.
2. A correct fit is likely if the vehicle manufacturer has declared in the vehicle handbook that the vehicle capable of accepting a "Universal" child restraint for this age group.
3. This child restraint has been classified as "Universal" under more stringent conditions than those which applied to earlier designs which do not carry this notice.
4. If in doubt, consult either the child restraint manufacturer or the retailer.

Warning

Please read this instruction and the relative part of your vehicle manual. Please follow this instruction while installing and using this baby car seat. Not following this instruction may lead to a severe injury or death to your child. Please keep this instruction in a safe place in case of future reading.

Note: this manual is only for reference, please prevail in kind!
